

86C-I EXCAVATOR

Brand: JCB

Call for Price: 08 89473490

Short Description

Operating Weight 8907kg

Max Dig Depth 4.381m

Max Dump Height 5.395m

Description

JCB's 8 tonne excavators, the 85Z and 86C mini excavators are products of over 50 years experience and insight, designed to be robust, strong and durable without compromising performance.

JCB's 85Z and 86C are high performance productive mini excavators. Peak power and torque at low engine speeds makes for efficient cycles, and there's a wealth of innovative design features to get the most from every drop of fuel.

We've always believed that a fundamental part of high productivity is a comfy, ergonomic working environment. Consequently, you'll find that cabs and controls on an 85Z or 86C are great places to work, even for long stints.

A safe site is of paramount importance to any owner; likewise machinery that's easy and fast to service. Both the 85Z and 86C will protect machinery, operators and bystanders alike, as well as providing excellent serviceability – minimising downtime.

Our tracked excavators are designed to give you more than just great performance and long service life. Machines like the 85Z and 86C will also provide ultimate value for money, both on and off your working sites.
