

JS 200SC EXCAVATOR

Brand: JCB

Call for Price: 08 89473490

Short Description

Max Operating Weight 20654kg

Max Engine Power 129kW

Max Bucket Tearout 15800kg

Description

JCB's 20 tonne excavator, the JS200SC (short carriage) is blessed with exceptional efficiency, strength, productivity, comfort, safety and ease of maintenance.

The JS200SC excavators's new DIESELMAX 448 engine provides up to 20% fuel savings over our outgoing model, while a closed box-section revolving frame increases strength and reduces stress. We've also created an all-new high-strength boom and dipper for this 360 excavator, and we've used only the very best components too, like Berco running gear, Kawasaki pumps and Kayaba main control valves.
