

JS 200LC EXCAVATOR

Brand: JCB

Call for Price: 08 89473490

Short Description

Max Operating Weight 20979kg

Max Engine Power 129kW

Max Bucket Tearout 15800kg

Description

JCB's 20 tonne excavator, the JS200LC (long carriage) is blessed with exceptional efficiency, strength, productivity, comfort, safety and ease of maintenance.

The JS200LC's new DIESELMAX 448 engine provides up to 20% fuel savings over our outgoing model, while a closed box-section revolving frame increases strength and reduces stress. We've also created an all-new high-strength boom and dipper for this 360 excavator, and we've used only the very best components too, like Berco running gear, Kawasaki pumps and Kayaba main control valves.
