

# JS 220LC EXCAVATOR

**Brand: JCB**

**Call for Price: 08 89473490**

## **Short Description**

Max Operating Weight 22278kg

Max Engine Power 129kW

Max Bucket Tearout 15800kg

## **Description**

JCB's new JS220 excavator is the culmination of 48 years' tracked excavator expertise, offering performance and productivity without compromise.

Designed and developed using our Efficient Design philosophy, the JS220 is an 22-tonne tracked excavator that's equipped with a host of efficiency, performance, comfort and safety innovations. Like our new award-winning EcoMAX T4i engine, this meets Stage IIIB/Tier 4i legislation without using bulky diesel particulate filter (DPF) which provides a fuel saving of up to 10% over our outgoing models. The machines are supplied with JCB's new global boom and dipper design with a larger and deeper profile for increased strength and durability.
