

JS 330LC EXCAVATOR

Brand: JCB

Call for Price: 08 89473490

Short Description

Max Operating Weight 32849kg

Max Engine Power 210kW

Max Bucket Tearout 24114kg

Description

The JCB JS330 excavator is towards the top end of our range of heavy tracked excavators. Weighing in at around 33 tonnes, it's engineered with exceptional strength, productivity, efficiency, comfort, safety and ease of maintenance.

A closed box section revolving frame increases strength and reduces stress. It also makes these tracked excavators highly resistant to impact damage. We've used strong parts too – premium industry standards in fact.

Meanwhile, this tracked excavator's engine is a highly efficient JCB 672 6 cylinder 7.2L DieselMAX . The benefits of the JS300 series of tracked excavators don't end there either.
