

ICX BACKHOE LOADER

Brand: JCB

Call for Price: 08 89473490

Short Description

Max Engine Power 36.3kW (49hp)

Max Dig Depth 3.08m

Bucket capacity 0.3m³

Description

The ICX backhoe is the smallest model in our backhoe loader range, bringing backhoe performance and capability to previously inaccessible areas.

With a 600kg loader capacity, the JCB 1CX backhoe can turn on its own axis in order to work in cramped environments and it's fitted with a universal skid steer quickhitch allowing for a full range of skid steer attachments to be fitted easily. Full servo-controlled hydrostatic transmission gives zero to maximum speed, both in forward and reverse, at full power.
