Description

The new JCB 403 may have the same name as its predecessor but it's a radically different wheel loader. Benefiting from over 45 years' expertise, this new model brings a raft of premium features from our larger models to a more compact size of loading shovel.

Expect top quality componentry like ZF axles, Bosch Rexroth hydraulic pumps and a Kubota engine, all in a compact and agile tool carrier. The new 403 compact wheel loader is also built incredibly tough to withstand harsh applications, and boasts a comfortable, ergonomic operator area.
