Bucket Capacity 2.1m³

Description

The JCB 422 wheel loader is designed to withstand all the hard work you can throw at it, with superb levels of productivity and efficiency.

Built on a foundation of quality and reliability, this loading shovel provides high power and torque from its JCB DIESELMAX engine, as well as the ability to move more material for less money.

A spacious cab provides comfort levels to suit any operator, and the 422 is also an extremely safe machine that can maximise uptime with its easy servicing and low maintenance requirements.
