

# 426 HT WHEEL LOADER

**Brand: JCB**

**Call for Price: 08 89473490**

## **Short Description**

Max Engine Power 113Kw

Operating Weight Range 12740kg

Bucket Capacity 2.1m<sup>3</sup>

## **Description**

There are many reasons to choose the JCB 426 HT wheel loader. It's productive, efficient, easy to maintain and extremely durable.

Its 5.9 litre 6-cylinder Cummins engine is Stage 2 compliant and produces 112 kW and 633 Nm.

Of course all JCB front-end loaders are designed to get the most from every drop of fuel. On the 426, there's a load sensing hydraulic system with a variable displacement pump, and a variable speed cooling fan, all of which consume power only when required. There's also premium componentry, like a Cummins Engine and an all-ZF driveline.
