Description

The all-new JCB 457 gives you, epic style, visibility, power, speed, strength, efficiency and quality.

Featuring a powerful new MTU diesel engine that meets Tier 4 / Stage IV emissions without the need for a costly and in-efficient DPF.

New JCB CommandPlus cab provides the ultimate in operator comfort and productivity. Unrivalled visibility, command driving position and seat mounted controls keep you in total command.

Innovative design provides easier ground level service access with a one piece automatic opening bonnet. Tailored service packages and the best dealer backup complete the picture.
