**Brand: JCB**

**Call for Price: 08 89473490**

## **Short Description**

Max Engine Power 74.2kW

Max Lift Capacity 3000kg

Max Lift Height 7m

## **Description**

The JCB 531-70 Agri telehandler is the smallest of our full-sized telescopic handler machines. It's a hugely efficient EcoMAX-powered telehandler sitting on a chassis that's designed for load-bearing and stability.

The side-mounted JCB engine combines with JCB axles and transmission to ensure a reliable drivetrain performance from well-proven telescopic loader components. For added versatility, high utilisation and extra investment value, we offer a large attachments range. This telescopic handler also has instant steering selection between three modes for easy operation, single-lever servo controls, a tight turn radius and great manoeuvrability.
