Description

The latest JCB 531-70 Construction Loadall is a telehandler that's designed to meet the challenges of any site head-on. Compact dimensions, unrivalled manoeuvrability, unparalleled build quality and all-day operator comfort all come as standard. That means you can take on the very narrowest spaces, slipperiest surfaces and heaviest workloads.

That's just the beginning, too. As with all JCB Construction telescopic handlers, the 531-70 is purpose-built to the exact needs of operators like you. You can therefore also expect unrivalled productivity, efficiency, safety and serviceability.
