Call for Price: 08 89473490

Short Description

Max Engine Power 74.2kW

Max Lift Capacity 4000kg

Max Lift Height 17.51m

Description

JCB's 17m telehandler, the 540-180 HiViz boasts an impressive 4000kg lift capacity and 17.51m lift height. This new addition to the HiViz range is further evidence of the importance JCB places on site safety – no other manufacturer can compete with the safety and visibility of the JCB HiViz range.

The ultra-efficient SMART POWER, 55kW/74hp JCB EcoMAX engine variant will remain free of after-treatment, a DOC and a DPF until 2019. Whilst JCB's SMART SAFETY package ensures operators and workers alike remain safe on site.

It's a SMART INVESTMENT to own or rent JCB's 17m telehandler. Maintenance is low cost and daily checks are quick and simple meaning your machine can spend more time on site rather than in the workshop. And as a World leader in telescopic handles, when you come to sell your Loadall, you're guaranteed the best in the business.

There are also major benefits for the operator; The optional single lever joystick along with JCB's unique regenerative hydraulics ensures productivity is guaranteed with every work cycle. That's SMART PERFORMANCE from JCB.
