

## 20 - 45 KVA GENERATORS

**Brand: JCB**

**Call for Price: 08 89473490**

### **Short Description**

Engine JCB Diesel by Kohler

Engine Emissions Fuel Optimised Stage IIIA

Frequency 50/60Hz

### **Description**

At the heart of this generator range is the JCB Diesel by Kohler engines. JCB's engine range ensures tried and proven performance, economy and low noise to support you daily in any application. The G20QS to G45QS models are fitted with top-notch componentry to compliment the engine, including Mecc Alte alternators and a standard-fit Deep Sea Electronics (DSE) control panel to maintain high performance, even in these smaller power generators.
